FIFTEEN CENTS

DISPLAYING JUST A FEW of the many prizes that will be awarded and auctioned off next Tuesday at Northeastern Illinois' 3rd annual Ducks Unlimited banquet are (from left) Tony Starcevic, Terry Folbrick, Wally Henning and Bill Brook. A limited number of tickets are still available and can be obtained by calling Mr. Starcevic at the State Bank of Antioch, 395-2700. The event will be at St. Peter's Social Center, with cocktails at 6 p.m. and dinner at 7:30. The picture is Ducks Unlimited's official artwork of the year and the rifle is from a limited edition by Winchester.

Postmaster Is Retiring

Antioch's postmaster, Walter P. Barnas, will retire Friday after more than 30 years of postal service.

Mr. Barnas has been postmaster in Antioch for more than four years.

"We're allowed to retire after age 55, or 30 years of service," he explained. "My wife, Maurita, and I plan to travel and eventually move to the Ocala, Fla., area where we have property."

First, he plans a trip to Spokane, Wash., and will still be seen around the Antioch area in the next few weeks.

"I won't say my goodbyes yet," Mr. Barnas said. "I'm a member of the Rotary Club and I'll be back Mar. 4 for the meeting at which Jim Thompson, candidate for governor will speak here."

THE SELECTION of a new postmaster will take at least four months. The postal service will send a temporary officer-in-charge to Antioch while candidates are screened. One of the candidates will be Gerald Ehrhart, who has been assistant postmaster.

WALTER P. BARNAS

Mr. Barnas lives in Skokie and began in postal service by sorting mail while traveling on trains as far as New York and California.

When the railway mail service was cut down in 1960, he went to work in the Chicago terminal until 1967. Then he did postal station work in the Chicago area until being named postmaster of Antioch on Nov. 13, 1971.

Mr. Barnas' hobbies are carpentry and gardening.

"I like to sell," he said, "so if I ever go back to work, it will be in sales."

He said he is sorry to leave Antioch but added, seriously, that "I spoke recently at a meeting of the local association for retired persons and, when I saw what a good life they have, I decided to retire myself."

"I'm fortunate, too," he added, "because I have my health."

Herman Holbek Is Named VIP

By BETTY HOPE

Herman Holbek has been selected as Antioch's 1976 "V.I.P." in recognition of his many years of dedicated service to the community as a founding member of the rescue squad.

He served with the squad for 25 years, first as its first lieutenant and later as its captain.

Originally a member of the Antioch fire department, Herman became involved in developing what was to be the first rescue squad in the state of Illinois in 1939.

He prepared himself for the task by taking extensive training in first aid, which he later taught to new volunteers. He also spent many hours over the years helping to raise funds for vehicles and equipment.

IN ORDER to gain additional knowledge and insight in trauma situations, Herman spent three weeks observing in Cook County Hospital's accident admission room.

No aspect of rescue squad work was ever too difficult for him, no matter how unpleasant. His dedicated volunteer services often kept him away from his family and business for many hours each week.

Anyone who has ever had need of the rescue squad can especially appreciate the outstanding contribution of time

and talent that Herman Holbek has made to the people of Antioch.

Herman would be the first one to say that he did not do it alone,

'Blue & Gold'

The annual Blue and Gold banquet of Cub Scout Pack 192 will be held at 5 p.m. Sunday at Oakland Grade School.

The event is sponsored by the State Bank of Antioch and the main speaker will be the bank's president, William E. Brook.

but those who have watched the progress of the rescue squad recognize that he was the persistent and driving force behind it for those first 25 years.

The people of St. Peter's parish invite all of Antioch to participate in honoring Herman on Saturday, Mar. 27, at St. Peter's bicentennial dinner-dance.

Tickets are now available at the State Bank of Antioch, the First National Bank of Antioch, the Antioch Savings and Loan Assn., and St. Peter's rectory, 557 Lake St.

Do you feel the need to explore new ways to relate to the opposite sex in today's rapidly changing culture? The College of Lake County women's program is offering a new workshop to simplify this experience.

"Between Man and Woman: A Dialogue" is scheduled for Saturday, from 9 a.m. to 5 p.m., in the Quiet Lounge on the Grayslake campus.

A HUMAN Sexuality Seminar will be offered on four consecutive Wednesday evenings in March at the college. All sessions will be held in the College Center, from 6:30 to 10 p.m. starting Mar. 3 and ending Mar. 24.

If you are a working woman or are contemplating a return to work, consider a new non-credit course, "Women At Work," offered by the college on Wednesdays, 7:30 to 9:30 p.m., Mar. 3 through Apr. 28, on the Grayslake campus.

THE COLLEGE of Lake County, in cooperation with the Waukegan office of the American Red Cross, is offering an advanced first aid and emergency care course starting Tuesday, Mar. 2, at 7:30 p.m. in room 312 on the Grayslake campus.

The course is designed to meet the needs of persons directly responsible for giving emergency care to the sick and injured. It is especially helpful for policemen, firemen, rescue squad members, ambulance attendants, para-medical per-

sonnel and others in need of skills in first aid and emergency procedures.

An advanced certificate will be issued to those who successfully complete the course.

For more information, call the Community Services office at the college, 223-6601, extension 350.

Candidate For Governor Here on Mar. 4

Jim Thompson, seeking the Republican nomination for governor of Illinois, will speak in Antioch on Thursday, Mar. 4. He will be the guest at a general membership meeting of the Antioch Chamber of Commerce and Industry.

The Rotary Club of Antioch will join in the meeting, to be held at Lorenz's Smart Country House. There will be a cash bar from 11:45 a.m. to 12:15 p.m. and a \$4 charge for those attending the buffet luncheon and program.

Reservations are due before next Monday. Persons wishing

to attend should contact the Chamber office at 966 Victoria St. telephone 395-3381.

The primary election in Illinois will be Tuesday, Mar. 16, and Thompson is opposed for the Republican nomination by Richard Cooper of Winnetka.

Thompson is the former United States attorney for the northern district of Illinois.

Rescue Squad Has 18 Calls

The Antioch Rescue Squad made 17 first aid calls and one accident call last week.

All of the injured persons were taken to either St. Therese, Victory Memorial or Zion-Benton hospital.

The rescue squad has already made a total of 112 calls in less than two months of 1976.

Antioch Man Charged With Armed Holdup

A rural Antioch man has been tracked down and arrested by police for the Feb. 9 armed robbery of Norm's Standard service station, routes 59 and 173.

James D. Fairbanks, 41, is charged with the holdup and is being held in the Lake County jail.

The Antioch police department, cooperating with the county sheriff's department, obtained warrants and arrested Fairbanks in the Lake Villa area.

The robbery was reported at 1:04 a.m. on Feb. 9 and the victim told police that a white male, about 5 feet 10 inches tall with short black hair and wearing a black and white checked jacket, was in the gas station saying he was waiting for a ride from a friend.

The victim told police that the robber pulled out a .38 caliber revolver, asked for all of the gas station's money and then told the victim to go into the washroom, "lie down and forget my face."

He said the suspect took about \$500 in cash and \$200 in checks.

The money was removed in a large paper bag and the subject apparently fled from the station on foot and disappeared into the weeds behind the building.

Officers searched for the robber, but there was no trace of him.

Fairbanks is being held under \$50,000 bond and Antioch Police Chief John Wells said further investigation is pending.

Chief Wells said that when Fairbanks was arrested he had two revolvers and a large amount of money in his possession.

THE VILLAGE OF ANTIOCH will celebrate its 84th year and its 21st birthday on Sunday with an open house at the village hall. Gas Prices Going Down

Gasoline prices continue to dip slightly in Illinois, the Chicago Motor Club's latest report showed.

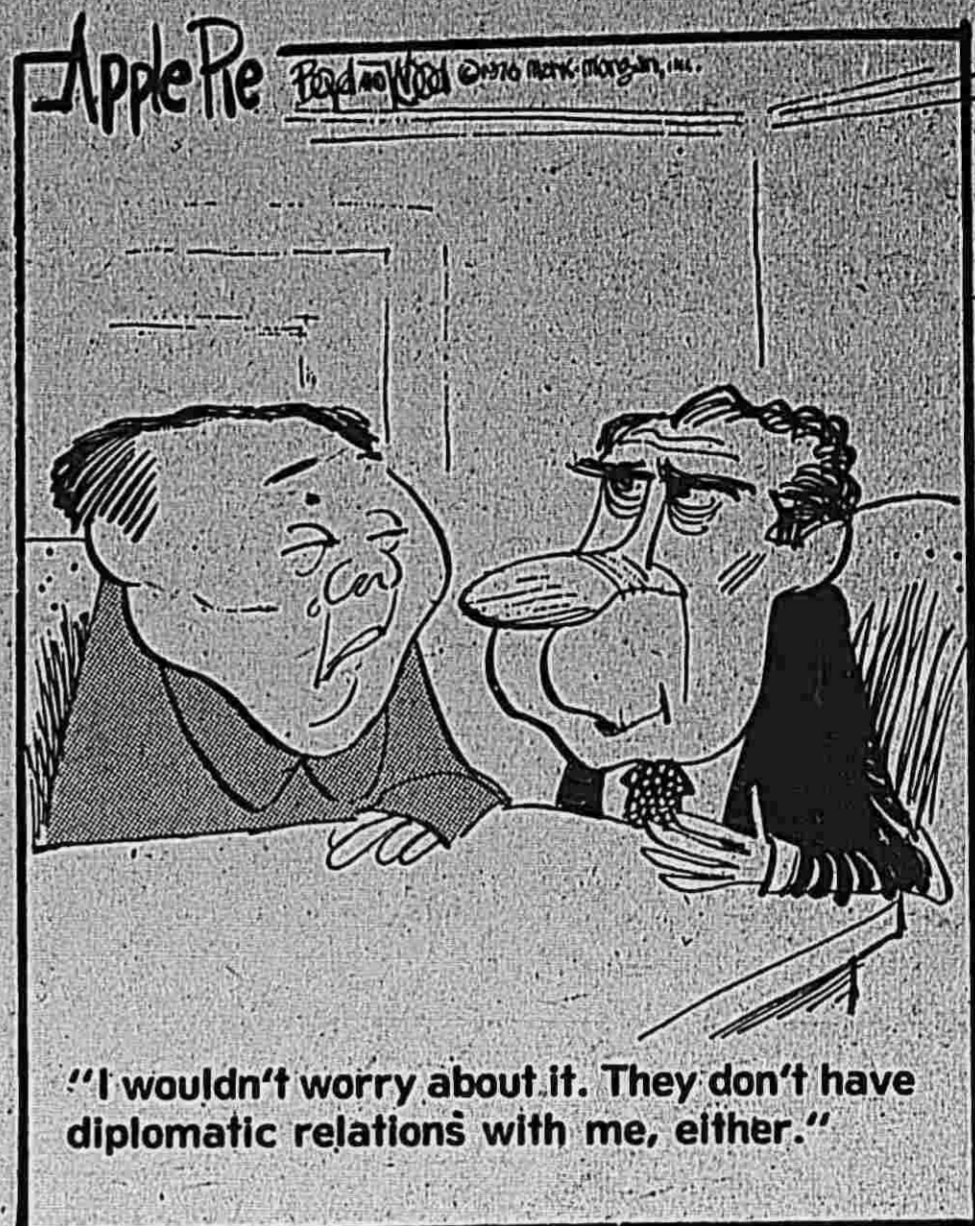

One service station in Antioch lowered its price for a gallon of regular to 49.9 cents, plus tax. Several others are at 52.9, plus tax.

For the first time since last June, the average price of a gallon of regular gasoline is under the 60 cent mark and the average of a gallon of premium under 65 cents.

Prices for regular in the Chicago metropolitan area now range from 49.9 to 65.9 cents a gallon, while premium ranges from 52.9 to 69.9.

BARRY GOLDWATER

How Much Does Your Job Cost?

By SEN. BARRY GOLDWATER

Can the United States afford its future?

This question is being asked these days as more evidence piles up that we are facing a shortage of investment capital for the future which may run over a trillion dollars.

At the center of this question, economically and politically, is the matter of jobs. If the business community is unable to obtain the capital it needs, it will be unable to expand and thereby create the kind of jobs that America needs.

TOO MANY liberals who are complaining about unemployment are busy beating the business community over the head, insisting that new jobs must come from government.

Any wage earner will tell you that a good permanent job in private industry is far better than the kind of make-work jobs the liberals are always promoting in their employment programs.

One of our more liberal organizations, the Brookings Institution, believes the nation can "just barely" afford its future.

BUT LISTEN to this: Brookings puts a proviso on its recently published analyses. It says we can barely afford the future - provided the government soon begins running

budget surpluses instead of deficits.

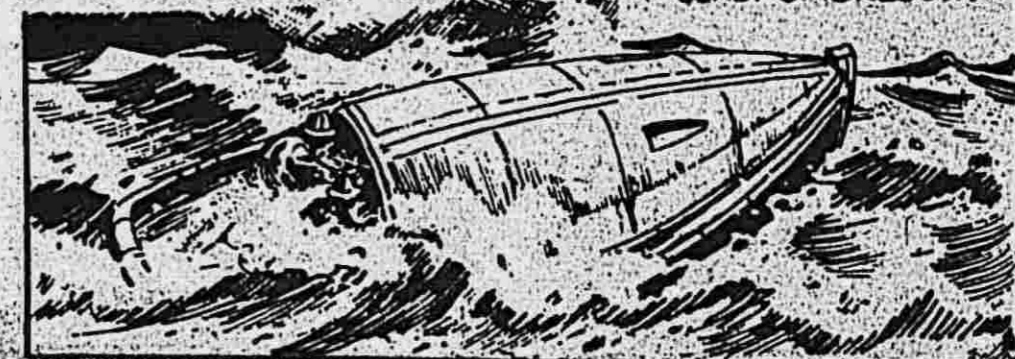

With the kind of Congress we have in Washington today, our chances of starting to run federal surpluses are about the same as those of a snowball in the Arizona desert.

Another factor which is not understood when arguments arise over the need for vast sums of capital is inflation. For example, recent studies have shown that it now takes about \$147,000 of capital investment to create just one new job in the mining industry. A new job in a factory making cars requires about \$28,500 in capital. And the average for all industry was more than \$33,600 in capital for each new job.

It is certainly time for the American people to understand where the best jobs come from and how much it takes to create them.

We gave you the big scoop that Michael J. Howlett, Democratic candidate for governor of Illinois, will be here soon for a cocktail party.

But we said Mike would arrive on Friday, Mar. 12; while the date actually is Thursday, Mar. 11.

WHEN BOB OHEIM, of West Deep Lake Rd., looked out his

front window one morning last week he must have been shocked to see a huge sign on the front lawn.

It said, "Happy Birthday, Bob." His friends spent part of the previous night building the 30-foot long sign out of empty beer cans that were fastened together to form the letters.

HAPPY BIRTHDAY Thursday to Kevin Walpole, and next Monday to Ev Offedahl and Mike Gutowski.

We just happen to know about those three birthdays, but we wish more of you people would send us news of upcoming birthdays so we can put them in our little blue book.

When we're talking about current birthdays, we're on one of our favorite subjects: Pisces ... those people born between Feb. 20 and Mar. 20.

We wouldn't believe so much in astrology if it weren't that every book on the subject describes Pisces people so accurately ... gentle, sensitive, creative, artistic; but not so very practical.

Just look at this week's famous birthday people - all Pisces - Sen. Edward Kennedy will be 44, Robert Young 69, Peter Fonda 37, Johnny Cash 44, Jackie Gleason 60, Tony Randall 52, Elizabeth Taylor 44 (plus two; we think she's lying); Ralph Nader 42, Joanne Woodward 46 and Zero Mostel 61.

All perfect Pisces, don't you agree?

'Doc' Jensen Dies at 85

Dr. George W. Jensen, 85, well-known Antioch veterinarian and civic leader, died on Tuesday, Feb. 17, at Victory Memorial Hospital.

He was honored two years ago by the village of Antioch when a new park in Sequoit Terrace subdivision was named after him - "Doc Jensen Park."

Dr. Jensen lived at 1185 Main St. He was born Apr. 6, 1890, in Racine, Wis. the son of the late Hans and Johanna Jensen.

He attended the University of Wisconsin at Madison, then Ohio University, and graduated from the Chicago Veterinary College.

In 1937, he was elected president of the Illinois Veterinary Association. Dr. Jensen had conducted a veterinary practice in Antioch from March of 1919 until his retirement in 1958.

He served in the U.S. Army during World War I and was one of the founders and served as 2nd commander of Antioch American Legion Post No. 748.

He also served as alderman of the village of Antioch and was a member of the Antioch Lions Club and Sequoit Masonic Lodge No. 827.

Dr. Jensen had been one of

DR. GEORGE W. JENSEN

the active members of the Lions Club when the Antioch Aqua

Center was built. He had made financial donations to the new village park and other community projects and organizations.

He married Lily Y. Boudro in June, 1919, at Chicago. He was preceded in death by his wife on May 23, 1975, one daughter, Mrs. Joann Yvonne Steiner, on Sept. 13, 1967, and by four brothers and three sisters. His only survivors are two sisters-in-law, one brother-in-law and several neices and nephews.

Funeral services were held at 1:30 p.m. Friday at the Strang Funeral Home in Antioch. Rev. L.H. Messersmith of Leisure Village officiated.

A masonic service was held Thursday at the funeral home. The Antioch Post of the American Legion held a service on Friday. Interment was in Hillside cemetery in Antioch.

Dr. Jensen was a 54-year Member of Sequoit Masonic Lodge and also belonged to the Conservation Club.

Public Forum On Home Rule

The Lake County Board will sponsor a public forum on Home Rule for county residents Wednesday, Mar. 3 at 7 p.m. in the Lake County board room at the County Courthouse in Waukegan.

The purpose will be to present both sides of the Home Rule issue to enable citizens to have the maximum amount of information prior to the March 16 primary election. In addition to those arguing pro or con, resource persons knowledgeable on the Home Rule question will be available to answer questions.

Joe Kirby, Waukegan News-Sun columnist, has said, "I simply cannot believe residents of the area will give to the County Board the taxing powers it would have under home rule."

A few days ago I had the pleasure to spend a weekend of fishing with the famous Capt. Don Pittman aboard the Dauntless II in Stuart, Fla.

It is an experience I will never forget.

The first afternoon I caught (under the watchful eye of the captain) mackerel till my arms were tired.

The following day, after we hooked some nice kings, out of the chopped water a 50-pound sailfish hit.

Exciting (True) Fish Story From Florida

INSTEAD OF his usual running and leaping, the infuriated fish charged the boat. Sensing what could happen, the captain ordered all other lines in and (in masterful boatsmanship) swung the boat at the exact time so the bill of the fish hit the corner of the stern, where the boat is much stronger.

Six inches of the bill broke off and, cat-quick that I am, I grabbed the remaining bill and lifted him into the boat, grabbing the fish in a bear hug in the process.

WE FELL to the deck of the

boat and in the ensuing battle I fractured two of the fish's vertebrae. Knowing that this would ruin the fish's swimming for the rest of the winter, we brought this game fighter to shore. They are delicious smoked.

Capt. Pittman said that the two minutes it took to land this fighter may be a world record.

Soaking wet, with a display of seamanship and boatsmanship that I have never seen equalled, Capt. Pittman also set a record. We passed 83 boats in and out of the harbor.

LEE SARMONT (left), representing Antioch High School, is congratulated by Harry Volkman, WGN-TV weatherman, for winning a second place ribbon and special awards at the Illinois Institute of Technology engineering fair. Lee, a 16-year-old sophomore from Channel Lake, entered an electronic invention called an induction furnace. It melts gold, copper or lead on an ordinary saucer or plate while held in the hand, because it doesn't heat up. Lee's invention also melts metals in a vacuum, preventing oxidization.

THE HERITAGE OFFICE BUILDING, the newest in Lake County, is an Antioch attraction because of its warm colonial atmosphere, both inside and out. Dr. John H. Boarini has his dental offices there and is renting space to physicians, other medical and dental specialists, lawyers, insurance men, accountants, architects, engineers and other businessmen needing office space. There is a large parking lot behind the building.

Coles Praises Engle's Gift To Township

Lake Villa Township has acquired title to about 15 various size parcels of property

located primarily in the Venetian Village area of Lake Villa Township.

The parcels were deeded to the township by Morton Engle, president of N. H. Engle & Son real estate Company of Lindenhurst, the developer of the area.

The township has authority (by statute) to enforce ordinances regulating the use of the parks and to enact fines and penalties toward people misusing the facilities.

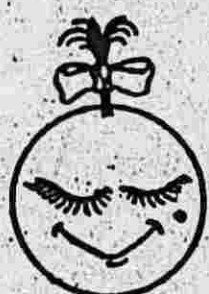

Ronald R. Coles, Lake Villa township supervisor said: "I just hope the community realizes the wonderful gift Mr. Engle bestowed upon them. This is prime open space that will now be forever owned by the people of Lake Villa township."

"This property is some of the most expensive property in Lake Villa township. The town board and I would like to take this opportunity to publicly thank Mr. Engle for his generosity. I just hope that we prove ourselves worthy of these generous gifts Mr. Engle bestowed upon us," Coles said.

BRINGS YOU

MARCH 1-7, 1976

Begins like a lamb, but it's a sham.

Town meetings begin this week ... Glenn Miller born March 1, 1909 ... Average length of days for the week, 11 hours, 22 minutes ... Skunks emerge now ... Battle of Alamo March 6, 1836 ... International Ice Patrol started March 5, 1959 ... If you hear thunder this week, it means fine fall crops ... Facts do not cease to exist because they are ignored.

Old Farmer's Riddle: How can you make a Maltese cross? (Answer below.)

Ask the Old Farmer: Have you ever heard that burning fresh potato peelings on top of the logs in a fireplace will help clean the chimney? I have tried it, but can't tell whether it works. H.K., Auburn, N.Y.

A very old custom — and so far as we know it never fails. Of course older folks ate more potatoes than we do today, so the doses of peelings were frequent and liberal.

Home Hints: To hide scratches on natural wood cabinets and woodwork, rub with mineral oil on a soft cloth. The scratch will assume the shade of the woodwork ... Riddle answer: Pull its tail.

OLD FARMER'S WEATHER FORECASTS

New England: Moderately rainy through midweek; warm and clear latter part, then light rain and light snow in north by week's end.

Greater New York-New Jersey: Rain at first, then colder and some light snow; latter part cloudy and warmer, some light rain.

Middle Atlantic Coastal: Light to moderate rain at first, then turning to snow and colder; latter part mild with light rain.

Piedmont & Southeast Coastal: Some light rain with sub-normal temperatures early week; a few showers and very warm latter part.

Florida: Week begins fair and warm with scattered light showers; week ends sunny and warm in central and north, partly cloudy and mild in south.

Upstate N.Y.-Toronto & Montreal: First part of week rainy, except snow in north and mountains, then clearing; light rain in south, snow in mountains and north latter part.

Greater Ohio Valley: Rainy at first, heavy along Ohio River, then clear and mild; warm spell, heavy rain and floods, except light rain in east, latter part.

Deep South: Rain ending, then clearing and warming to normal; week ends clear and warm in central and south, and showery.

Chicago & Southern Great Lakes: Week begins sunny and cool in central and south, light snow in north, rain in east; rainy over region latter part, mixed with snow in north.

Northern Great Lakes: Early week very cold with snow, more in west and less in central and east; light snow latter part, cold abating by weekend.

Central Great Plains: Light snow at first, but heavier in central and very cold in north, then mild; light rain, heavier in southeast, latter part.

Texas-Oklahoma: Sunny and unseasonably cold to start, then returning to normal midweek; rest of week partly cloudy and warm, with showers in north.

Rocky Mountain: Cold and snowy all week, except for clearing and milder temperatures in south by week's end.

Southwest Desert: Clear and cold, then warmer; some light rain in west ends latter part, then general clearing and cool.

Pacific Northwest: First part of week cloudy, quite cold and drizzly, some snow in mountains; storm latter part, heavy rain mixed with snow and gale winds.

California: Clear and cool through midweek, then rainy, cold and windy latter part.

ANTIOCH IN 1950

When the Kids Wore Roy Rogers Underwear

By BETSY ROSSEN

"Kids say the darndest things" was a phrase that gained popularity in the 1960's. But what about Antioch's kids of a quarter of a century ago?

Grab your saddles shoes, Sam, for we're about to check out the youth of this village in 1950, as recorded in the Antioch News.

A new curfew ordinance made an interesting start to the year, requiring that all children under 16 years of age be off the streets between 10 p.m. and 6 a.m. unless accompanied by a parent or by someone over 21 designated by the parent or guardian to accompany them.

The law placed responsibility not only on the child but on the parent with a penalty for willful violation ranging from \$5 to \$200.

THE MONTH of February was very special to the Boy Scouts of America with the celebration of the 40th anniversary of their founding. The organization was incorporated Feb. 8, 1910, in Washington, D.C. Membership that year was approximately 50,000; in 1950 it was in excess of 2.3 million. The week was observed through Parents' Night, Courts of Honor, indoor and outdoor camp fires, and Cub Scout circuses.

Antioch Township High School was the scene on St.

Women of The Moose

Thirty-seven co-workers were present at the February business meeting and gave Bob Bock a standing ovation as Senior Regent Stephanie Poulson presented him with a token of appreciation for all his help to the chapter.

Letters were read from Mooseheart and there was discussion on the upcoming changes in the ritual procedures. Cheryl Wise made the star recorder degree.

Birthday marchers were Virginia Booth and Marge Blecko.

There will be ritual practice this week for Chapter Rally Day, to be at Highland Park Mar. 7. A bus will be leaving the Moose lodge at 11:15 a.m.

On Saturday the Loyal Order will have a open enrollment to honor the friendship degree, followed by a dinner-dance. There will be a card party Mar. 13, and a St. Patrick's Day dinner-dance on Mar. 20 at the Moose lodge.

No formals need be worn at the Mar. 4 meeting.

In your local Army Reserve unit, you work with home-town people. You'll be serving your country, helping your community, and bringing home a good extra income.

IT PAYS TO GO TO MEETINGS.

Patrick's Day of an all-school "Gay Nineties" carnival in the gymnasium. Mary Ann Quilty was chosen queen and Jack Mahoney king for the evening. Charles Bock and Bernard Katowski won the pie-eating contests.

ALL SEATS were taken and people stood to watch and hear the annual music festival of the Antioch Grade school at the high school auditorium in mid-April. Each room performed in song, dance, or instrumental numbers. Increasing popularity of the program meant that even

with a new auditorium of its own planned for the next year, the grade school worried about enough space for the audience.

Work began on fund-raising for an enlargement of the high school in the early months of 1950. Principal T.R. Birkhead compiled figures that showed the district expected to need facilities for 760 students in 1963.

Entertainment for Antioch and nearby communities was provided that spring by such groups as the students of Marjorie Young. They presented a spring dance recital,

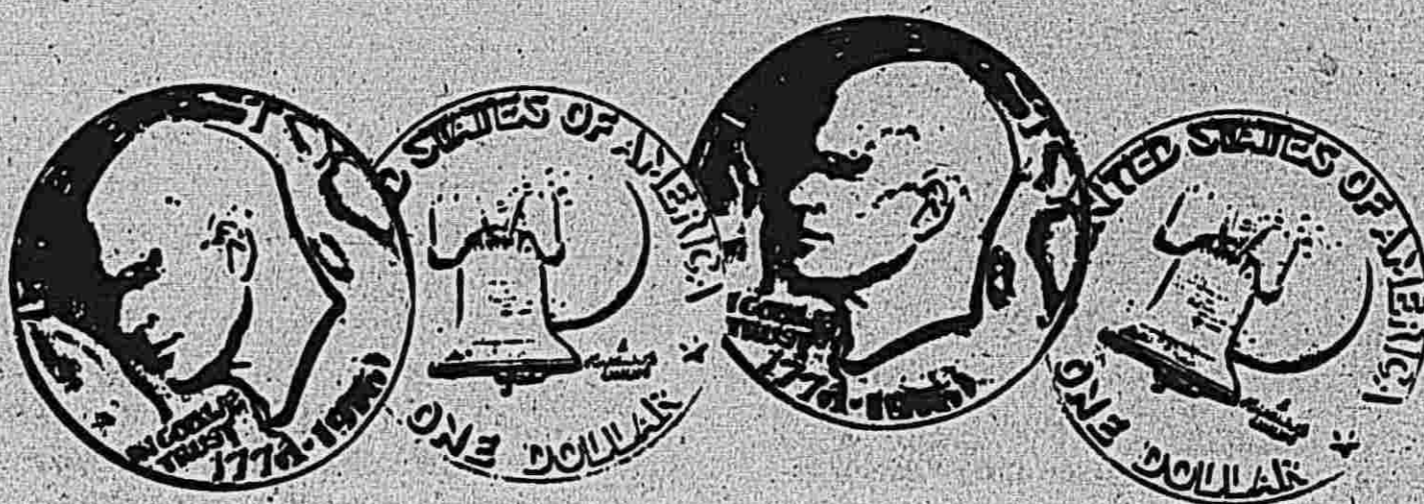

BETSY ROSSEN

"Twinkle Toes," in McHenry, Lake Villa and Libertyville.

MOTION PICTURES were wild and wacky, judging from advertisements in the Antioch

News. Area theaters featured "Cheaper by the Dozen" with Clifton Webb, Jeanne Crain and Myrna Loy; "Challenge to Lassie" with Donald Crisp and his famous furry friend; "Francis," with Donald O'Connor, Patricia Median and Francis, the talking mule; "Cinderella;" "Ali Baba and the Forty Thieves," and "Phantom of the Opera."

Our look at Antioch youth and their activities in 1950 closes with the following ad for a village department store: Roy Rogers' boy's underwear, shorts and briefs, 55 cents each.

Jim Lumber On Mar. 4 Demo Agenda

Lake County's elected and appointed Democratic committeemen will meet at 7:30 p.m. on Thursday, Mar. 4, at the VFW Hall, 124 S. Utica St., Waukegan, in the final pre-primary rally. The primary election is Tuesday, Mar. 16th.

Congressional candidates F. James Lumber, Antioch Attorney, (13th District) and Ed Frank, (12th District) will be among the local legislative and county candidates who will address the meeting.

There are hotly-contested primary battles for all of the local county slots. Interest is particularly high in the race for the Democratic States Attorney's nomination. It finds Waukegan trial lawyer Dennis Ryan pitted against Nello Gamberdino and Elliot Bacall.

Lake County Sheriff "Chick" LaMagdeleine has endorsed Ryan in the primary election.

Sheriff LaMagdeleine described Ryan as being "the most capable man for the office."

Little League Registration In Lindenhurst

Lake Villa Township Little League will conduct registration again Sunday at the Lindenhurst Civic Center from 1 to 4 p.m.

Signups will cover Tee, Minor, Bronco and Pony Leagues. Registration fee is \$17 for the first boy in a family, \$11 for the second boy and a total of \$6 for any others.

A parent or guardian must accompany boys who register.

the SOVEREIGN STATE of AFFAIRS

THE TOWN CRIER

There is a large group of men in Antioch (no pun intended) who need to lose 20 or 30 pounds in the coming months.

Those of us who are in that situation regularly compare notes, and share reports on our progress ... however, slow.

And this one fellow broke up with his expression of confidence.

"In a few months my body," he predicted, "will be the envy of every man in town. And women, instead of laughing when they see me, will cry."

AFTER NEARLY two weeks of "spring in February," winter returned last Saturday and we were out shoveling the very heavy snow off our sidewalk.

Then we had to drive to the

bank and noticed that Jack Siegmeyer, president of the Antioch Chamber of Commerce and Industry and manager of the Four Squires clothing store, was out shoveling his sidewalk.

It's nice to be the boss.

I asked one of the girls in the office:

"On a scale of one to 10, how do you rate my looks?"

She replied:

"You owe six."

KIDS SAY the darndest things, of course, but imagine the surprise of the Antioch couple listening to their 3-year-old daughter say her bedtime prayers and finishing the "Our Father" with:

"And deliver us from evil ... Knievel."

THE Entertainer

Talent Show Acts Chosen

The acts have been chosen for the second annual Antioch High School Parent-Teacher club talent show.

The evening of entertainment is scheduled Saturday, Mar. 6, at 7:30 p.m. in the high school auditorium.

Ken Sinclair of WKRS radio will be master of ceremonies, introducing dance acts, country

and western groups, and comedy. Prizes will be awarded for "Best of Show" and several other categories.

Tickets are available at the high school general office or at the door on the night of Mar. 6. Prices are \$1.50 for adults and \$1 for students. Proceeds benefit the high school scholarship fund.

Movies at The Library

Movies will be shown at 10:30 a.m. Saturday at the Antioch Township Library for children in kindergarten through the third grade. This Saturday's movies are "The Emperor's New Clothes," "A Little Girl and a Gunny Wolf," "A Visit from Space," "Red and Black" and "Madeline."

Pre-school story hours are held at the library on Wednesdays from 12:30 to 1 p.m.

Astro-Analysis

By Sonia

ARIES [March 21-April 19] - Imagination is active now so use your talents to improve methods of achieving those goals. Rearrange your present schedule so you can enjoy more leisure.

TAURUS [April 20-May 20] - Don't give trivial matter too much attention as more important things demand your time. Stick to one project at a time and don't allow outsiders to get you sidetracked.

GEMINI [May 21-June 21] - Perfect unison with superiors may be an impossibility but try to overlook the petty differences. Total concentration on important issues not only gains attention but puts you ahead career-wise.

CANCER [June 22-July 21] - Allow for ups and downs and even unexpected occurrences in love matters. Keep things on a light basis; not a time to become bogged down.

LEO [July 22-August 21] - Your concern over the misfortunes of another can be costly if good judgment isn't applied. Look at the situation more carefully before becoming too generous.

VIRGO [August 22-September 22] - Don't agree to long term contracts which may become too confining. Examine all the fine print before signing papers. Get legal advice if necessary before making a final commitment.

LIBRA [September 23-October 22] - Although you may be eyeing greener pastures with anticipation try to keep a solid, realistic footing. Involvement should be centered around more down to earth issues.

SCORPIO [October 23-November 21] - As a tendency toward a haphazard way of doing things persists, try to keep things as neat and orderly as possible. Plan a schedule that you can live with.

SAGGITARIUS [November 22-December 20] - Artistic abilities should be developed; consider taking up a new course of study to assure getting off on the right foot. Self discipline is needed.

CAPRICORN [December 21-January 20] - Be timely with appointments as the impression you make now is important. Show consideration toward others in small day to day mannerisms.

AQUARIUS [January 21-February 19] - Be positive when approaching others for a special favor. Your good attitude can make things happen so show that you are a capable person.

PISCES [February 20-March 20] - Strive for perfection in whatever pursuits you get involved in. The tendency to get things done in a hurry must be overcome in order to get the best long term results.

Grown-ups are strange fellows

It was the first wedding little Anne Marie had ever attended, and she watched every movement of the bridal party intently. After the recession, she turned to her mother and whispered, "Mommy, did the bride change her mind?"

"No, dear—why?"

"Well, she came in with one man—and left with a different one!"

Boat and Camping Show at Lakehurst

Lakehurst's Boat and Camping Show opens Thursday and runs through Sunday.

The malls and Central Court of the Waukegan shopping center will exhibit the latest in boats, campers and the accessories.

The participating dealers and their displays follow.

Ahlstrand Co., Wheeling, will show boats and runabouts ranging in size from 14 to 18 ft. Look for a genuine New England fishing dory in the display.

Hanes Campers, Waukegan, features tent trailers, economy size or large enough to sleep eight, and solid wall travel trailers up to 24 ft. that also sleep eight. Some of the lighter weight trailers can be pulled by small economy cars and still not reduce mileage.

Holiday Sports, Waukegan, exhibits boats and camping equipment, including Starcraft and Apache campers, solid state walls and canvas fold-downs. Tri- and V-Hull models

by Silverline Boats are available.

Imperial Mobile Homes, Waukegan, shows a 22 ft. Tioga motor home and several Surveyor Van Conversions, ranging in size from 16 to 18 ft.

Kramers Kampers, Waukegan, brings the Fleetwing line of recreational vehicles. The totally self-contained fifth wheel trailer offers all the charm and convenience of split level living.

Pack and Paddle, Libertyville, is the only exhibitor to show kayaks, by Phoenix and Easyrider, and canoes, by Blackriver, Easyrider and Grumman. The center of the display is an authentic 35' high Indian tepee. They're showing paddles, life jackets and accessories too.

Pier 41, Kenosha, offers a selection of sailboats in 12, 18 and 20 ft. lengths.

Sail Loft, Fox Lake, exhibits a line of Sun-Fish and the Sun-bird, two popular sailboats now on the market.

'Streetcar' Leaving Soon

PM&L Theatre's production of Tennessee Williams' classic drama, "A Streetcar Named Desire," will be returned to the stage Friday and Saturday for two final performances before leaving Antioch.

Director, Tom Hausman, says:

"This play has been a remarkable experience for me. Many people have offered us congratulations on our production. It is our hope that many more area theater-goers will come and view this labor of love that we have put together."

"Tessa Smith as Blanche has surpassed my expectations and given one of the truly fine performances in PM&L history. And backing her up, Dena Fabry as Stella, Donn Britten as Stanley, and Don Beveroth as Mitch have all given, in my understandably prejudiced viewpoint, outstanding supporting performances," Hausman said.

"As for the remainder of the

cast and my hard working crew, I hear nothing but praise for their efforts," he added.

Hausman said:

"Our curtain time is 8:30, and I would advise making reservations at 395-3055. My thanks to the community for its support and applause. The cast, crew

and I appreciate it greatly. Don't miss this moving story of a woman who fights for her identity between the real world and the world of fantasy. It is one of America's outstanding plays - and a memorable experience for all theater lovers."

Hawthorn Center to Display Quilts

"Two hundred years of quilts" will be featured at Hawthorn Center on Sunday from 10 a.m. to 5 p.m.

The exhibit of antique, contemporary and traditional quilts from private collections will be enhanced by bicentennial quilts made by various groups.

Joe Titus of Antioch is

bringing two quilts to the Hawthorn Center exhibit. One is a rosebud pattern, applied quilt made in the late 19th century by Mr. Titus' grandmother, Agnes Bowen. The other is a "Lone Star," in five colors made in 1935 by Jane Bowen Titus of Weedsport, N.Y., Mr. Titus' mother.

Mr. Titus reminisces with

pride about the constant activity in knitting, crochet, tatting, needlepoint and quilting which surrounded his growing-up in New York State.

Never be afraid of what other people say if you're sure that you approve what you have done.

Woman's Club Plans Numerous Activities

By FLORENCE PEDERSEN

The Antioch Woman's Club held its Feb. 16 meeting at the First National Bank's community room. It was preceded by a board meeting.

Members were saddened by news of the death of Helen Vogler and a book will be purchased for the library in her memory.

It was decided at the meeting to participate in the Salvation Army Doughnut Day in June and in the July 4 bicentennial parade.

A collection was taken for the American Federation of Woman's Club Indian Center.

IT WAS announced that the 10th District Woman's Club bicentennial quilt will be displayed at the Quilt Show at Hawthorn Center on Sunday from 10 a.m. to 5 p.m.

Members were advised by President Irene Hahn that atheist Madalyn Murray O'Hair has about 24,000 names on a petition to ban all religious material from being broadcast on radio and television. To counteract this, members were asked to send letters to:

Federal Communications Commission, 1919 M St., N.W., Washington, D.D. 20036, de-

claring they are against Dr. O'Hair's petition. RE 3 - Petition No. RM 2493 should be placed in the lower left hand corner of your envelope and letter.

In addition, a petition will be circulated for signatures at the Antioch Woman's Club on Monday. All members and friends are invited to come to the card party. Members are asked to bring white elephants for a booth and cakes for dessert. All extra cakes will be for sale.

A TOUR is planned Apr. 5 for members of the club to attend the Phil Donahue Show in Chicago.

The program Feb. 16 was presented by Verna Bohms, representing Lee Wards. She created three lovely flower arrangements, one of which will be given as a door prize at Monday's card party.

Hostess Mrs. LaVerne Woods and her committee served dessert, coffee and tea.

Engagement Announced

Mr. and Mrs. H. Dale Blundell, 124 W. Autumn Lane, East Peoria, are announcing the engagement of their daughter, Cynthia Ann, to Lt. Robert S. Valentine, son of Mrs. Nell Valentine and Mr. Bill Valentine, Madisonville, Ky.

The bride-to-be attended Bradley University and is a 1975

graduate of the University of Illinois.

The future groom, a 1969 graduate of Antioch Community High School and a 1973 graduate of the University of Illinois, is now serving with the U.S. Marine Corps at Camp Lejeune, N.C.

The couple is planning a July 4 wedding.

Names in the News

JAMES C. HAMLIN, an associate of Comprehensive Accounting Company in Antioch and Aurora, held a seminar for owners of small and medium-size businesses at the Marriott Hotel in Chicago.

The seminar on "Tax Problems of Medium and Small Businessmen" featured speakers from the legal and accounting professions familiar with the tax problems of these businessmen.

NINE COLLEGE of Lake County student leaders, including Frank Sebastia of Antioch, represented CLC at the Lincoln Land Community College Conference in Springfield. The program included activities programing, student government budgeting and publicity, the arts of survey taking, and film-making.

CHARLES GIORDANO, 295 Hazelwood Dr., Antioch, has completed a three-day advanced automotive tune-up course at the JC Penney regional training center in suburban Chicago.

Mr. Giordano is a service technician at the JC Penney Auto Center in Lakehurst Mall. He joined the company last year.

JAMES January, of Antioch, a freshman at Illinois State University, is included on the Dean's List for high academic achievement during the first semester of 1975-76.

Grade School Band Wins 154 Medals

The Antioch Grade School Band won 154 medals last weekend in the Illinois Solo and Ensemble contest at Round Lake.

"It was quite a week for the band members," said director Larry Wagner. "For months the 8 to 13-year-old music students had been diligently working on their assigned solos and ensembles in anticipation of the contest."

Besides the nervousness of knowing they would be performing before a judge and an audience, suddenly the flu bug also popped onto the scene.

"The Upper Grade School had more than 100 students absent each day," Wagner said. "The band began noting 20 students absent each day."

But on the day of the contest the students weren't going to let neither flu nor four inches of snow keep them from competing.

By the end of the day 47 received first place medals on their solos and 59 placed second. Seventeen won first place

ensemble medals and 31 received second place ensemble medals.

"None of the 157 students had

ever been at a music contest before," Wagner said. "What a first experience for the Antioch Grade School Band."

WINNER -- Melody Aronson, a member of the Antioch Grade School Band, prepares the solo for which she won a first place in the state contest at Round Lake last Saturday.

Progress does not come by itself; like genius, it's made.

Woodstock Ties Antioch for Lead

By MIKE WITT

The outright conference title was on the line. Victory meant sole possession of first place. The Sequoits had their biggest crowd of the year and it was "Parents Night" too. Nothing could go wrong. Right?

Wrong! The Blue Streaks of Woodstock came on strong in

the second half and pulled into first place with Antioch on a convincing 54-44 victory.

Woodstock and Antioch now share first place with 10-2 records. Antioch has to visit a dangerous Stevenson team that got off to a great start, hit a slump, and is coming off it. The Pats should be tough.

Woodstock closes its season at

home against Grant, a team that can be tough and recently proved it by beating Antioch 53-52.

EITHER ANTIOCH or Woodstock can gain a clear championship if one wins this Friday while the other loses.

The Sequoits led Woodstock by five at the half and started to pull away in the third quarter.

Four baskets in a row on pretty moves down the lane by Mitch Witt put Antioch up by 11 points.

Antioch looked ready at this point to run away with it, and Woodstock called time out to regain composure.

And that's exactly what the Blue Streaks did as they came back to tie the game.

The score stood at 36-36 as the fourth quarter began.

The difference in the fourth might have been the night before. That is, Woodstock had the night off, and the Sequoits had played at Warren.

ANYWAY, THE rebounding duo of Scott Kimball and George Ferguson, who had four fouls at this point, seemed to grow tired as Woodstock started dominating both ends of the boards.

Woodstock had a one-point lead and the ball with about 2½ minutes remaining, when Bob Dubek made a super move to pick up a charging call and giving his team a chance to regain the lead.

But a bad pass gave Woodstock an easy lay-in. A basket by Pat Houghton put Antioch back down by one, but Woodstock came back to score on a

LEAPING FOR TWO POINTS is Antioch's Bob Dubek, who gets the shot away despite the blocking efforts of a Woodstock opponent. Woodstock won 54-44 and the two teams are now tied for first with 10-2 records.

Upper Grade Wrestlers Win Crown

The wrestling Apaches of Antioch Upper Grade School won their second straight conference wrestling title last Saturday.

Competing in the Northwest Junior Conference tournament at Crystal Lake, the Apaches compiled 104 points. Crystal Lake North was second with 90.

Placing first individually for the Apaches were Jon Gibson (75 lbs.), who also won the outstanding tournament wrestler award; Scott Petersen (90 lbs.); Chuck Bogaerts (118); Mark Abear (125); and Mitch Case (134).

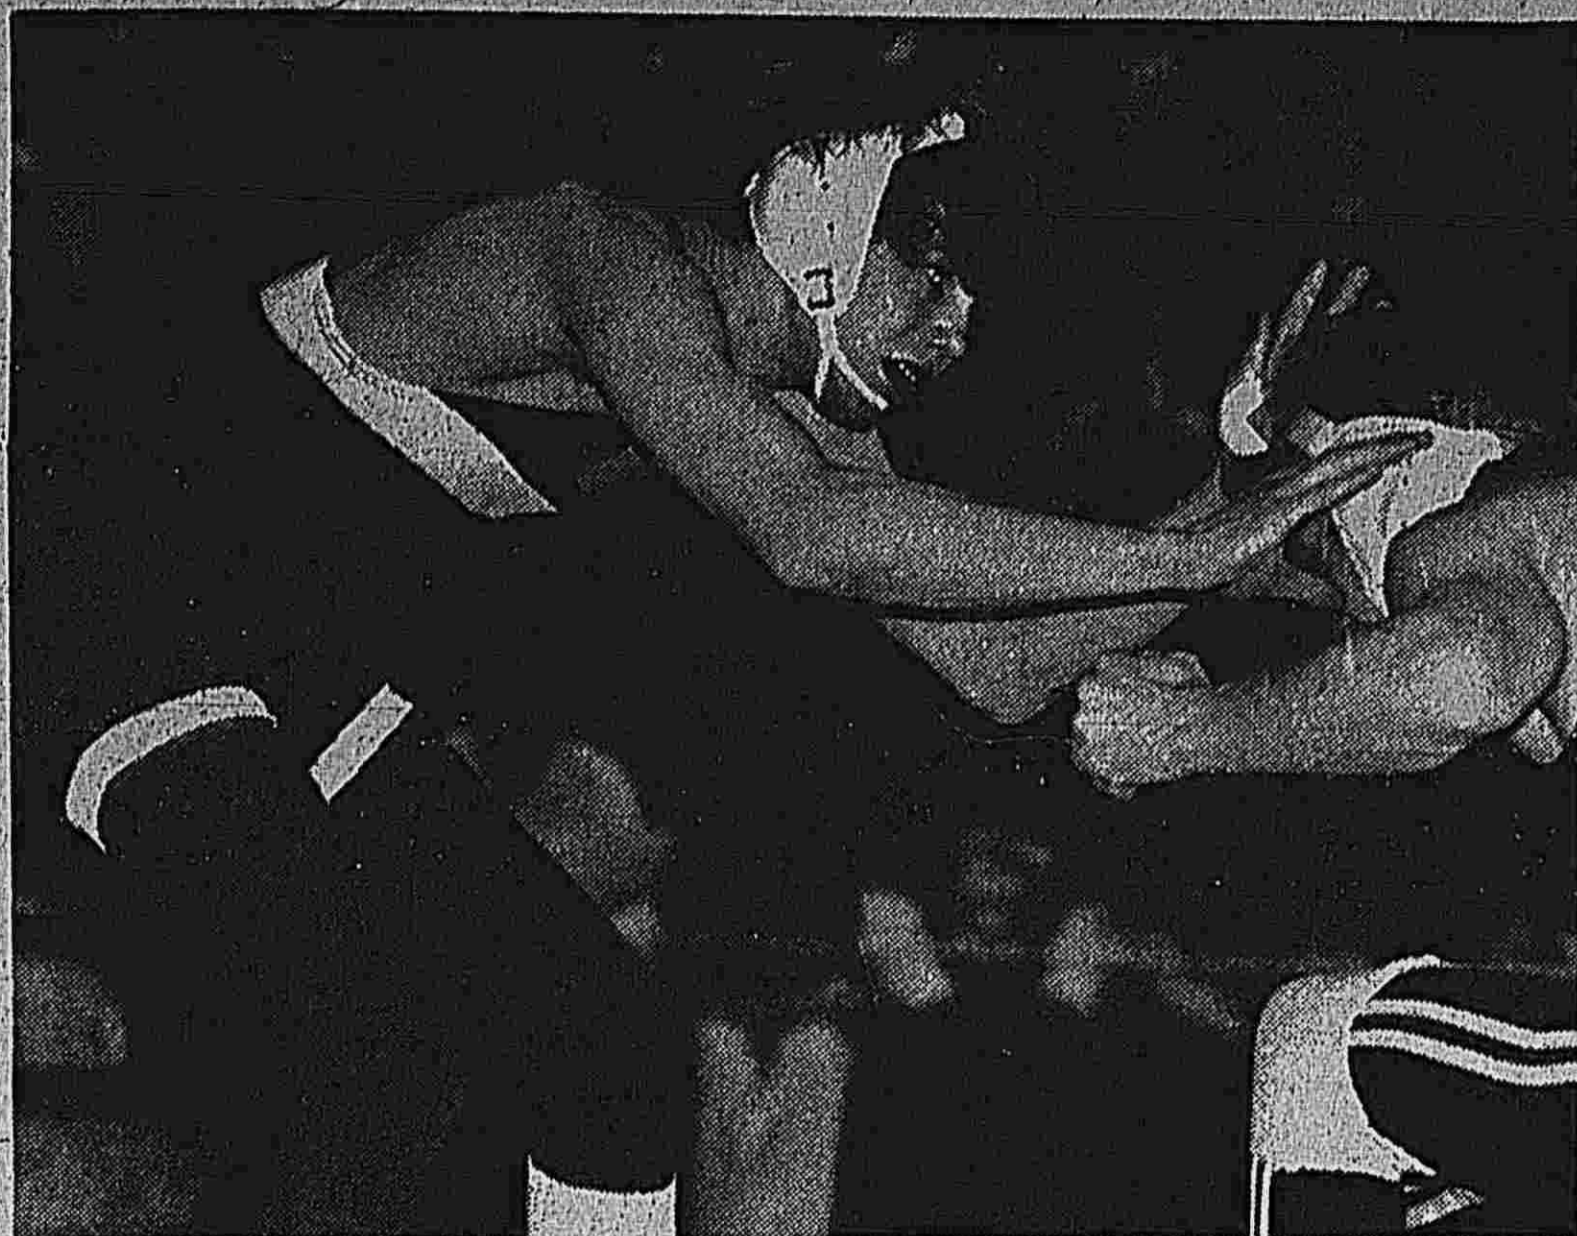

Placing second were Erdie Cole (60); Rob Crowell (80); Kevin Murphy (85); Jeff Canel (95); Paul Quinn (100), and Ted Bessette (143).

Placing third were Mike Rizzo (65); Greg Pahlke (70) and Scott Buxton (heavy-weight).

"The Apache team faced very tough competition from a very fine Crystal Lake North Squad, and won the mat title because of their total team effort, spirit and the individual determination of every wrestler," their coach said.

The Apaches also defeated North Chicago Neal 45-19 in a dual meet Wednesday, Feb. 18. Winning for the Apaches were Frank Heiselman (75); Jon Gibson (80); Kevin Murphy

Please turn to page 17.

ANTIOCH'S MARVIN GIBSON (left) placed third in last Saturday's sectional tournament at 105 pounds, barely missing a trip to the state meet. Coach Ted DeRousse said Gibson, only a freshman, lost 7-4 to the eventual sectional champion, Kevin Kick of Mundelein. Gibson scored wins over two other opponents but lost second place in an overtime match. He finished his season with a 33-9 record. (Paul Maplethorpe photo.)

No Antioch Wrestlers in State Meet

Although they were runners-up in their conference, and won the district tournament, Antioch High School's wrestlers

failed to qualify for the state tournament.

Antioch's district champs and runnersup, Robin Aerne, Greg

Nordstrom, Tom Dye, Marvin Gibson and Dick Kessler, failed to place among the top two in their weight classes at last weekend's sectional tournament in Barrington.

The competition was rough, with Barrington, Libertyville and North Chicago each qualifying three wrestlers.

Antioch's Gibson almost made it at 105 pounds, but the freshman star lost a 4-2 decision to Carmel's Marty Rohling and had to settle for third place.

Sophs Have 20

Antioch's sophomore basketball team won its 19th and 20th games of the season with wins over Warren and Woodstock last weekend.

On Friday the sophs defeated Warren 65 to 41, leaving Antioch with a conference record of 11-0 and Warren with a record of 9-2.

On Saturday, Antioch easily won over Woodstock, now 2-10, by a score of 68 to 19.

Antioch, now 12-0, is assured of at least a tie for the conference title with only one game left to play.

In the Warren game, Bill Dubek led Antioch with 25 points. Brian Andrews added 15,

followed by Tim Huebner with 9.

Tom Huebner led Antioch against Woodstock with 17 points. Dubek added 15, and Andrews and Tim Huebner each had 8.

In both games the sophs put together two of their best efforts of the season. They played inspired defense, making Warren and Woodstock work hard for every point they scored.

The sophs finish their season and conference play this Friday with a game at Stevenson, 8:45 p.m. The varsity game follows at 8:15.

ACHS Girls Win 3 Games

The girls basketball team of Antioch High began its season two weeks ago in a non-conference game against Wilmot.

The varsity, with 7 seniors and 5 juniors, outscored Wilmot 38-31. Kim Case and LuAnn Oddsen led the Sequoits with 11 points each.

The Antioch junior varsity didn't have much luck against Wilmot losing 30-17, but got it together the following Tuesday and defeated Wauconda. Cathy Aschbacher led the 31-14 victory with 8 points of her own. Wynn Vos and Sherry Weitz assisted with 5 points each.

Against Wauconda, the varsity played a good first half, but lost the game in the third and fourth quarters with numerous turnovers. In the 41-33 defeat, Antioch's LuAnn Oddsen chalked up 18 points, followed by Kim Case with 8.

Last Thursday Antioch played a strong Mundelein team at home. The JV team, missing three starters who were ill, won 23-16. Top scorer was Sherry Weitz with 10.

The varsity played the best game of its still young season, winning 37-35. LuAnn Oddsen was high scorer with 14, points followed by Kim Case and Michelle Blanchette with 9 each.

NEWS OF SPORTS

HOOP GAIN

Little did Dr. James A. Naismith realize in 1891 when he devised the modern game of basketball from a 16th century Aztec Indian game of putting a solid rubber ball through a fixed stone ring, that it would come to be enjoyed by people all over the world.

SWIMMERS RECEIVE \$200—A group of Antioch swimmers received a check for \$200 from William E. Brook, president of the State Bank of Antioch. It was the bank's pledge to the youths, who participated in a "Swimarama" to raise money for the Waukegan YMCA swim team. The group represents the State Bank swim team in the summer and Waukegan in the winter.

Seventeen of them swam a total of 320 miles on Jan. 23, 24 and 25. Front row (from left): Margaret Ivy, Jeff Bundy, Kim Nicholl, Judy Houghton and George Bessette. Second row: Ann Ivy, Brandy Nicholl, Kris Shepard, Bryan White and Craig White. Back row: Karen Shepard, Frank Bessette, Mr. Brook, Steve Bundy and John Schmidt.

Tim Huebner Wins Contest

Tim Huebner, a sophomore basketball star at Antioch High School, who is expected to be a

member of the varsity next winter, won the \$15 first prize last week in the Antioch News' basketball contest.

Tim will receive a gift certificate for that amount from the Four Squires clothing store.

He picked Woodstock to beat Antioch by six points in last Saturday's big game here. Woodstock won by 10.

NOT MANY fans predicted that Antioch would lose.

That meant Fran Hedemark and Brother Edwin Mitchell tied for second when they picked Woodstock by four points. We had to use the tie-breaker, Antioch's nine-point victory over Warren on Friday night. Brother Edwin, of St. Benedict's Abbey, had picked a 12-point Sequoit victory, so he receives second prize: a \$10 gift certificate at Gibbs & Jenssen's Carousel.

Fran, who said Antioch would beat Warren by 13 points, will receive third prize, a \$5 gift certificate at Stanley's Men's Fashions.

Coming close last week were Walter Carlson and Jena Hameau, each picking Woodstock to beat Antioch by three points. Jena had won the contest, and \$15 in cash, the previous week.

ANOTHER CONTEST, with a total of \$30 worth of prizes, appears in today's paper. The trick is to guess the outcome of Antioch's tough game Friday night at Stevenson.

For the tie-breaker we're asking you to forecast the result

of another important conference game, the Friday night clash between Woodstock and Grant.

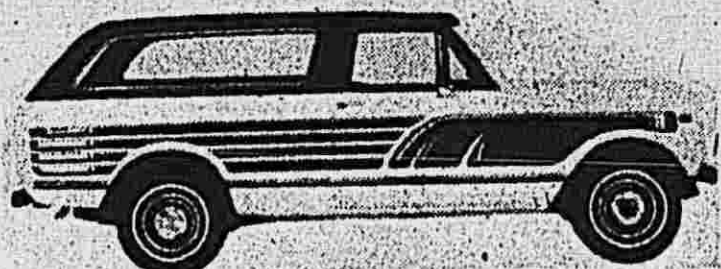

Be sure to enter by 5 p.m. Friday.

Dance rhythms vary as one moves around the country. Melodious African-style porros and merecumbes on the Northern coast are part of the Caribbean tradition. In the Andes to the South, music descends from the airs of the Incas. Most popular of all Afro-Columbian music and dances is the cumbia, in which the girl holds a lighted candle while she dances. Stop and think—how long has it been since you have had a little rhythm in your life?

SMOOTHLY, Antioch's Scott Kimball whirls and lofts a hook shot toward the basket in Saturday night's game here against Woodstock. Antioch lost and now is tied for first place, needing a win at Stevenson this Friday to assure itself of at least a share of the conference championship. No. 42 is Antioch's Mitch Witt.

Woodstock

offensive rebound to go up by three.

The roller coaster then began as Antioch began to take bad shots and turn over the ball, and Woodstock seemed to take advantage of every mistake. The last minute of the game was all Woodstock.

ANTIOCH HAD its chances. The Sequoits looked ready to break the game open in the third quarter with their 11-point lead, but they gave the lead right back.

Ironically, the previous time these teams met, Woodstock was in Antioch's shoes, and the Sequoits came storming back to win.

The big boost Antioch always seems to have is its free throw shooting.

But they missed five straight tries in the fourth period when the game was still close, losing a potential 10 straight points.

Just as when they were upset at Grant, their free throw shooting went on the blink.

BUT THIS game was hard to classify as an upset. Woodstock has a big, strong rebounding team that can be explosive offensively. They played a good game and credit has to be given

where credit is due.

In Friday's game at Warren, the Sequoits blew a 22-point lead, but held on to win 49-40.

Antioch held Warren to just 13 points in the first half to take a 21-13 lead.

Antioch dominated play in the third and the start of the fourth quarter before Warren made its charge, chopping 14 points off the Sequoit lead.

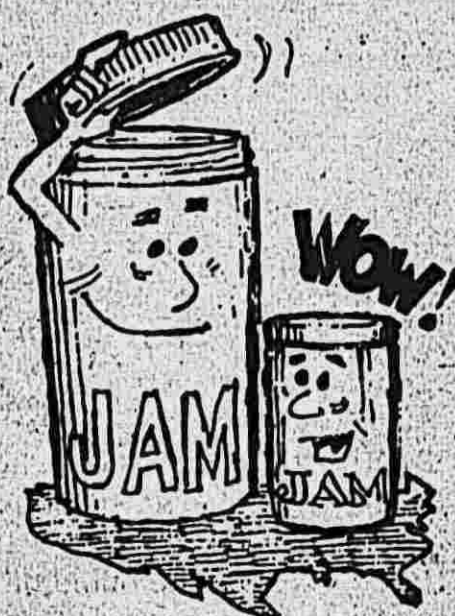

Antioch outshot Warren 43 percent to 39 percent from the floor, but Warren held a 31-29 rebounding advantage.

Witt again played an excellent game as he led all scorers with 17 points, followed by Dubek with 12. Kimball was a marked man this weekend and that contributed to his poorest scoring. He managed only seven points at Warren and 11 against Woodstock. His average was 19.

Antioch Frosh 2nd in League

Antioch's Freshmen basketball team defeated Warren Saturday and climbed into a tie with the Blue Devils for second place in the frosh conference.

Both teams are 9-2 and trail the leader, Grant, by half a game. Both Warren losses have been to Antioch. The score this time was 44-39.

The young Sequoits were led in scoring by Mike Lischewski with 17 points. Other scorers were Roger Plechaty and Scott Gallagher with 8 each and Chris Oddsen with 6.

Oddsen led all rebounders with 12 and Lischewski had 10. Greg Bodin was credited with 8 assists.

Coach Norm Hahn had praise for his players, especially noting the aggressive play and scrapping for loose balls. He gave special plaudits to Plechaty and Dave Gutowski for handling the Warren press with their excellent ball handling.

Sequoits Need Win Over Stevenson

Antioch High's basketball team travels to Stevenson, at Half Day, Friday night ... and the Sequoit varsity needs a victory in the 8 o'clock game in order to assure itself of a share

of the conference championship.

Going into Friday night's final games, Antioch and Woodstock are tied for first with 10-2 records. Stevenson's Patriots

rank third with an 8-4 record and Grant is fourth at 7-5.

Grant plays at Woodstock Friday and Antioch fans naturally are hoping that Grant springs a mild upset.

Stevenson has a dangerous scorer. Kelly Harris, a 5-11 guard, scored 27 and 23 points in two games last weekend.

Coach Roger Andrews admitted that last Saturday's 54-44 loss to Woodstock here "was a bitter disappointment to the Sequoit cagers."

"It was a great game," Andrews said, "and it was decided by a quick spree of Woodstock points in the last minute and a half."

George Ferguson was back in the starting lineup after missing Friday's game at Warren with a sprained ankle.

"George did a good job," Andrews said, "and so did Mitch Witt, who was super in the third quarter. The whole team did well ... it was a great game, except for the final score."

Witt hit on seven of 11 field goal attempts in Friday's 49-40 win at Warren and made six of 11 against Woodstock. Scott Kimball had 15 rebounds against Warren and also led Antioch

"Sir, I think Radcliff, here has come up with a real winner ... a liquid-center golf ball you can drink if things are going badly."

in that department against Woodstock.

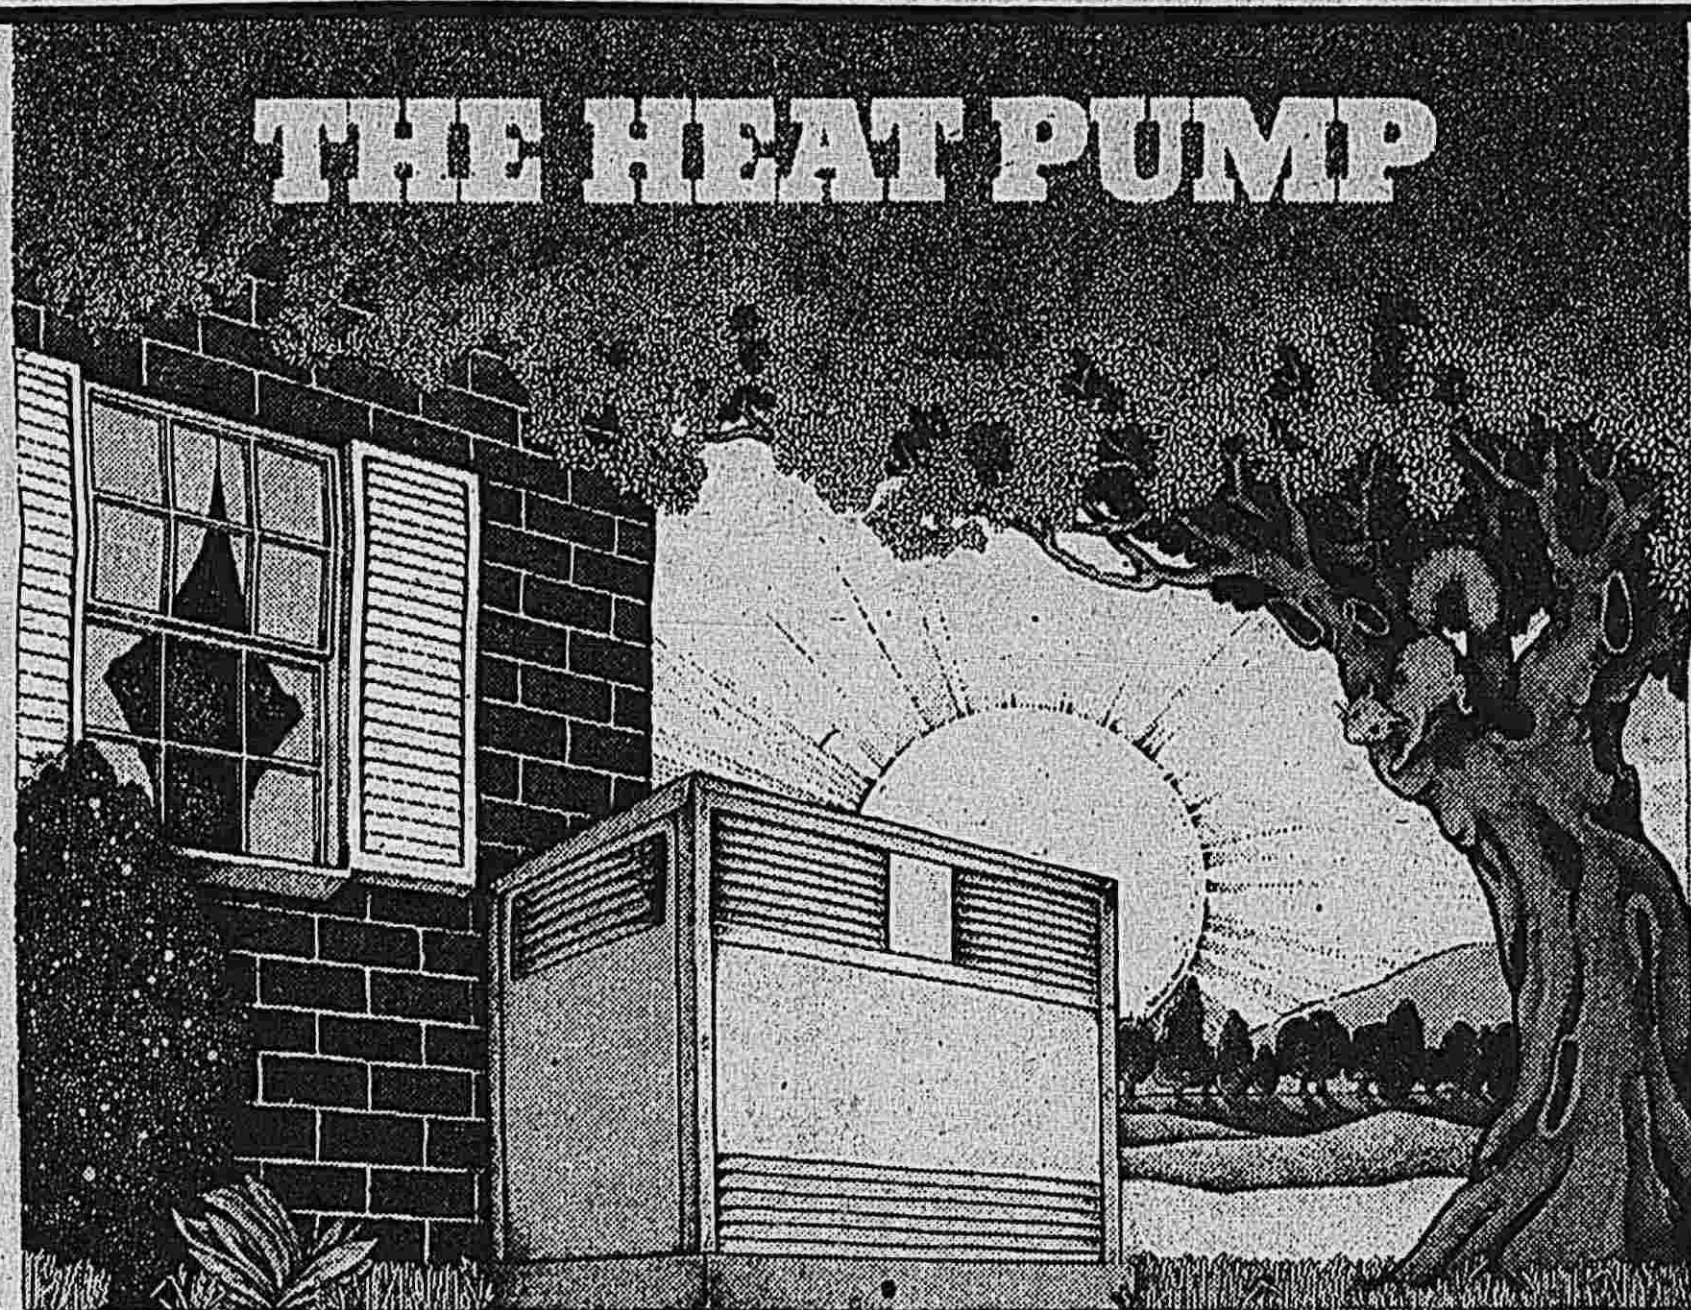

Coach Andrews praised Pat Houghton for replacing Ferguson at Warren and "doing a very good job."

AFTER THE conference race

ends Friday, the Sequoits enter regional tournament action next Tuesday, 7:30 p.m., playing Round Lake in Grant's gym.

Grant and Grayslake play next Wednesday, same time and same gym. And then the winners will play for the regional championship on Friday night, Mar. 5, at Grant at 7:30.

The regional winner will advance to a Rockford sectional tournament the following week.

A new era in home climate control begins

About forty-five years ago, scientists began developing a revolutionary heating device that uses the heat of the earth's atmosphere. They called it a heat pump. Today, it is the only commercially available heating system that provides an answer to shrinking supplies of fuel oil and gas.

How the heat pump works.

Basically, the heat pump moves heat from one place to another. Using electricity to run the device, it extracts heat from a limitless source—the heat in outdoor air. During winter, enough heat remains in the air—even on the coldest and cloudiest days—to be extracted by the pump and transferred indoors as clean, flameless heat. And during warm weather, the process automatically reverses, removing excess indoor heat and humidity—like an air conditioner.

Better efficiency.

In short, the heat pump does the job of both a furnace and an air conditioner. But there's an important difference. The heat pump produces more than 1½ units of heat energy for every unit it consumes. That's better efficiency than any other current heating system.

It's ready.

It's ideal for new homes because it won't be obsolete in ten years. It's not dependent on the fossil fuels that may not be available in the future. To the homeowner, that means significant long-term savings on heating costs.

The heat pump is a big step in the conservation of scarce fuels. And here in northern Illinois, the electricity you would use to capture the heat comes mainly from coal and nuclear energy, rather than scarce oil and gas.

To get the full advantages of the heat pump, it's important to get a quality product, properly installed and reliably serviced. For the name of qualified installers in your area, call G. W. Berkheimer (Westinghouse Distributors), (312) 374-4411, or General Electric Co., (312) 496-6356. If you want additional heat pump information, call your local Commonwealth Edison office and talk to our marketing engineer.

buzzer. The game was close all the way as the score saw-sawed back and forth. Bill Ranker led Antioch, scoring 12 points. Bob Sertic added 7 and Peter Ploss, Roger Korjenek and Rob Nau-man each had 6.

The freshmen gained a tie for first in their conference by beating Woodstock 57-30 Monday. Warren defeated Grant's frosh, moving the Antioch team into a three-way tie for first with its 10-2 record.

Mike Lischewski led Antioch scoring with 20 points and Greg Bodin had 12.

ABC's of Travel

Domestic and International

By BARB CORBIN

Stumped for last-minute gift ideas? How about giving someone you love the whole world for that special occasion; or at least as much of it as you can afford?

All you have to do is buy one of the gift certificates being offered by the travel agency in your area.

This is just one more feature of the travel agent that many people are not aware of. With the certificates, one might say "you've got the world on a string."

Travel is one of the most unusual and memorable gifts imaginable, and the giver doesn't have to spend more than he can afford. He can choose any amount, and the recipient can apply it against his bill when it's time to travel - for air, sea or rail fares, for hotels or for tours.

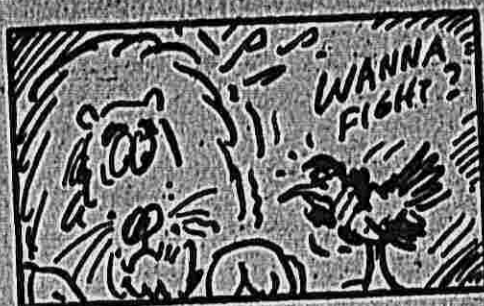

Graduation and weddings are not far away. The trend in giving travel gift certificates as presents for any occasion has really caught on.

So see your travel agent, and he can help you in more ways than one. Their business is service, 100 percent.

Next time you are beside yourself for that special gift - give a call for a travel gift certificate.

Two money-saving tips for homeowners

Too many homeowners have outdated insurance on their property.

So a fire, a storm, vandals or burglars can destroy or steal more than your insurance covers.

With the cost of construction and repairs going up fast, it pays to update your homeowners coverage now.

It'll pay you to check with your Country Companies agent, too. Because in most cases, he can give you the coverage you want for less with a Country Mutual homeowners policy.

The Country Companies. We're a little different than most insurance people.
